Role of GIEN is to:

- refine inclusive education practices
- to provide suggestions to the committees on preparing courses for teachers, teacher educators, parents, non-teaching staff, community members and managers
- conduct researches on implementation of inclusive education, including effectiveness research
- provide feedback on the resource material used in inclusive education practices and teacher development
- form groups of educational institutions including schools to carry out collaboration work to enhance the quality of Inclusive education
- suggest resource material, developmental needs to School Inclusive Education Development team (SIED team)
- help in developing tool kits for evaluating Inclusive education practices
- facilitate formation of Regional Committees
