INTRODUCTION

The INTERNATIONAL PURPLE FEST Goa 2024, in collaboration with the Global Inclusive Education Network (GIEN) is organizing **PURPLE INTERNATIONAL SUMMIT ON INCLUSIVE EDUCATION - INCLUSIVE PRACTICES, RESEARCH, and INNOVATION.**

ABOUT INTERNATIONAL PURPLE FEST

INTERNATIONAL PURPLE FEST celebrates diversity and inclusivity and aims to showcase how we can unite to create a welcoming environment for everyone. The festival features a variety of live performances, including stand-up comedy, dance, music events, and various sporting activities, such as a blind automobile rally, bird watching, film screening and live art camps.

PURPLE INTERNATIONAL FEST also includes conferences, workshops, and exhibitions showcasing the latest assistive technologies developed for persons with disabilities (PwDs) aimed at learning about and trying out new technologies that can help improve their daily lives.

ABOUT GIEN

The GIEN (GLOBAL INCLUSIVE EDUCATION NETWORK) - an initiative of the Centre for Disability Studies and Action, School of Social Work, Tata Institute of Social Sciences, Mumbai and the Brotherhood, New Delhi - have organized eight national Delhi (2), Mumbai, Goa, Bangalore, Shimla, Baroda and Patiala (One each) and two international conferences (2 TISS Mumbai). The conferences are not just events but a process and a platform for learning and sharing – aimed at creating sharing community.

GIEN is an initiative to share and disseminate global ideas, research findings, academic approaches, field-level experiences, evidence-based practices, innovations and inventions in inclusive education.

The organizers have published six books, with ISBN, a compilation of more than 180 plus case studies/papers presented by the participants during the above conferences.

ABOUT PURPLE INTERNATIONAL SUMMIT ON INCLUSIVE EDUCATION

Organizing **PURPLE INTERNATIONAL SUMMIT ON INCLUSIVE EDUCATION** aims to learn from the diverse educators practicing various need-based educational implications required for the overall development of children with disabilities in schools. The conference aims to reach out to practitioners locally and globally. The organizers invite new experiences and insights based on research, evidence-based practices; inventions; innovations, and how assistive technologies and ICTs support collaborative teaching-learning, including the experiences of the scholars, students, teachers, school management, parents and stakeholders.

OBJECTIVES
