

Dear friends,

Subject: Invitation to attend the Workshop on WRITING ACADEMIC PAPERS
LAST DATE FOR REGISTRATION IS APRIL 15 2024

We are pleased to invite you to an exclusive workshop being organized by the Centre for Disability Studies and Action at the School of Social Work, Tata Institute of Social Sciences, Mumbai; Global Inclusive Education Network (GIEN) and Brotherhood, Delhi, on April 30, May 1, and 2, 2024, at Tata Institute of Social Sciences, Mumbai.

Practitioners, educators teaching in inclusive and special education settings, or those with their own centres or special schools can attend the workshop.

The brochure of the workshop is enclosed for your reference.

This workshop will help practitioners and educators write academic papers based on research, evidence-based practices, and innovations. The experts will guide through effective methodologies to document teaching experiences, ensuring valuable insights to reach a wider audience and use qualitative analysis.

The workshop aims to facilitate the creation of research papers and case studies based on your success stories that will be featured in our forthcoming publication.

We encourage you to bring along one or two success stories or best inclusive practices that have significantly impacted the lives of students with diverse learning needs. These will help you develop academic papers during the workshop.

You are requested to send us the duly filled-in google form after transfer of the money at ginclusiveeducationnetwork@gmail.com
